Applying For Personal Banking Services

The banking services we provide are designed, primarily, for residents of the United Kingdom or Nigeria. We can also open accounts for residents of EU countries, the USA and most other OECD countries (this may take longer to process) and we may need you to visit our office in London.

If you already have an account with Union Bank UK and just want additional services, there is no need to complete this form. Simply let us know what you require, and we will make the arrangements.

Confirming Your Identity

It is a requirement of the UK financial regulations that we properly identify you, confirm your address and retain documentary evidence of this. Without doing this we will not be able to open your account.

We have tried to make this process as quick and easy as possible. The process differs, depending on whether you are resident in the UK or Nigeria.

If You Are Resident in United Kingdom

We will ask you to provide authenticated documentary evidence from the list below. There are two ways that you can do this;

- 1) You can bring the original documents into the Bank to be authenticated by a Bank Officer, or
- 2) You can use the Post Office Identity Checking Service. Simply take your original documents into any Post Office and they make certified copies which you can then send to us to meet this requirement. The Post Office levies a small charge for this service. You can find more details at www2.postoffice.co.uk/counter-services/passport-identity/identity-checking-service

If You Are Resident in Nigeria

If you are resident in Nigeria, we will need to sight documentary evidence of your identity and address. You can do this in one of two ways.

- 1) Bring the originals in to our office.
- 2) Take the originals into your branch of Union Bank of Nigeria Plc and ask your Relationship Manager to certify them for you. UBN will forward the certified documents to us in the post.

Documents Required

1. A bank statement of account in your name - one month statement but dated within the last three months (if not provided as a proof of address)
2. To verify your **IDENTITY** we will need to sight either:
 - A. Your current international passport; or
 - B. Your photo card driving licence (UK & EU only)

Additional information

¹Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £85,000 by the Deposit Guarantee Scheme.

²General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers at maximum £85,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level. If, for instance a depositor holds a savings account with £80,000 and a current account with £20,000, he or she will only be repaid £85,000.

In some cases eligible deposits which are categorised as “temporary high balances” are protected above £85,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- (a) certain transactions relating to the depositor’s current or prospective only or main residence or dwelling;
- (b) a death, or the depositor’s marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- (c) the payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained under <http://www.fscs.org.uk>

³Limit of protection for joint accounts

In case of joint accounts, the limit of £85,000 applies to each depositor.

However, eligible deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of £85,000.

⁴Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email: ICT@fscs.org.uk. It will repay your eligible deposits (up to £85,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within 7 working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount available within 7 working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses (in the case of a depositor which is not an individual or a large company) within 5 working days of a request.

If you have not been repaid within these deadlines, you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under <http://www.fscs.org.uk>.

Other important information

In general, all retail depositors and businesses are covered by Deposit Guarantee Schemes. Exceptions for certain deposits are stated on the website of the responsible Deposit Guarantee Scheme. Your bank, building society or credit union will also inform you of any exclusions from protection which may apply. If deposits are eligible, the bank, building society or credit union shall also confirm this on the statement of account.

EXCLUSIONS LIST

A deposit is excluded from protection if:

- (1) The holder and any beneficial owner of the deposit have never been identified in accordance with money laundering requirements. For further information, contact your bank, bank building society or credit union.
- (2) The deposit arises out of transactions in connection with which there has been a criminal conviction for money laundering.
- (3) It is a deposit made by a depositor which is one of the following:
 - credit institution
 - financial institution
 - investment firm
 - insurance undertaking
